School Year

K1

Grade Level

Name of Activity

Visiting Inspiration Lake

Objective(s)

- Understand ways to protect nature
- Observe the beauty of leaves, branches, flowers, etc.
- Cultivate an attitude of caring for nature

Brief Descriptions:

Our kindergarten led the kindergarten children to Inspiration Lake. To observe the beautiful scenery of nature. At the same time, the teacher and the children conducted outdoor exploration, allowing them to pick up leaves, make leaf rubbings, and use different natural materials to make collages. , building beautiful creations of nature.
